**TABLE 5-6  
NORTHERN REGION FIRE AND EMS SERVICES**

NAME OF FACILITY	MONAGHAN TOWNSHIP FIRE COMPANY	CITIZEN HOSE NUMBER ONE - DILLSBURG	FRANKLINTOWN COMMUNITY FIRE COMPANY
<b>ORGANIZATION / STAFF</b>	All volunteer department. Approximately 275 members and 25 firefighters. Elected officers lead organization. Firefighters report to the elected Fire Chief (2 year term). 24-hour service provided. Monthly training sessions, including cooperative events with surrounding fire companies.	EMS - 1 salaried position (chief), 4 full-time, 20 part-time (per diem), 10 volunteers - 24 service. Firefighters - all volunteer - 68 active members / 22 firefighters / 6 administrative offices / 2 fund raisers. 24 -hour services	All volunteer department. Approximately 50 members and 40 firefighters / 5 Emergency Medical Technicians. Several Red Cross Emergency Responders. Elected official lead organization. Firefighters report to the elected Fire Chief (3 year term). 24-hour service provided. Monthly training sessions, including cooperative events with surrounding fire companies.
<b>INCIDENTS</b>	Average incidents fluctuated over the past three years (100 to 145 calls per year). Wide range of incidents: structure fire / accidents.	EMS - 1200 per year; Fire - 250 per year.	Average incidents - 300 incidents. Wide range of incidents - structure fire / accidents / medical assist - miscellaneous incidents.
<b>FUNDING</b>	Municipal contributions - Monaghan Township (\$15,000 for operation costs - also workmen's compensation insurance) - Carroll Township \$5,400. Two fund raisers per month & hall rentals. Membership dues. Firemen's Relief Fund - restricted reimbursements for incidents.	Municipal contributions, fund drives, fundraisers, Firemen's Relief Fund.	Municipal contributions and workmen's compensations. 97% fundraising. Eight to twelve fundraisers a month. Firemen's Relief Fund.
<b>ISSUES</b>	Poor road conditions for moving equipment. Poor access to some residential properties. No public water system. Lack of firefighters - major concern.	Retention and recruitment of paid employees and volunteers, access to facility, inadequate facility (need better bunkrooms, community hall - kitchen facilities small, entire building is not ADA compliant - inadequate office space), lack of community support for fundraisers.	Building capacity to provide space for fire equipment (height restricted), operating and maintenance cost of the building / equipment is high, major issue is funding.
