

WALMART in LOWER ALLEN TOWNSHIP

WALMART has been “hatching” plans for at least **THREE YEARS** to build an 88,580 square foot store on Hartzdale Drive across from Capital City Mall on the vacant Forbes Chevrolet site. There is no doubt that these plans will impact the neighboring homes, the economic viability of local businesses, the environment and quality of life in our community

Yet the citizens have been kept in the dark until this week about these plans and have had virtually no time to review or respond to WALMART’S proposal. WALMART is forging ahead with this project. If you are concerned about this project and **HAVE QUESTIONS & WANT ANSWERS** about this project come to

- Township Commissioners meeting on **February 28, 2011**
- Township Planning Commission meeting on **March 15, 2011**

7:00 PM --Township Offices--2233 Gettysburg Rd. Camp Hill 17011

Citizens can also call on Call the Township Officials at 975-7575. Tell them to **SLOW DOWN**, give themselves and the people they represent time to evaluate WALMART’S plans, and take the following steps:

- Insure that WALMART’S plans are made available to the public for review and comment at a special meeting of both the Planning Commission and the Township Commissioners.
- Insure that sufficient advance and full **NOTICE** of these meetings is given to the general public in our community so interested citizens can review, study, and prepare to comment and attend.
