Re: AP 2009-0728, Weaver v. Carroll Township ("Township")

CONFIRMATION OF RECORDS RECEIVED and POTENTIAL WITHDRAWAL

Dear Ms. Weaver:

I received correspondence and an affidavit from the Township attesting that for the timeframe you requested, the records you requested do not exist. The Township further advised that in order to resolve this matter, it is willing to make available the two stormwater reports it does have, which were received after April 14, 2009. Please advise whether you agree to review these records during its regular business hours to assess whether you would like copies of them.

In light of this submission, kindly advise whether you would like to withdraw your appeal at this time. Please let me know in writing of your intentions by **September 10th** to enable a timely Final Determination to be prepared if necessary. As always, please include docket no. **AP 2009-0728** on all submissions related to this appeal, and always send a copy to the Township.

Thank you.

Very truly yours,
